As soon as you receive your shipments of seeds, inspect them carefully. Test them in any way you wish. If for any reason they are not satisfactory, return them within ten days and we will refund the entire amount of the purchase price. Owing to the fact that weather, soil, methods of cultivation and other conditions beyond our control are important factors in crop yields, it is now well known that reputable seedmen cannot warrant seed productiveness or guarantee the crop. If the purchaser does not accept goods on these terms they are to be returned at once.

**FIELD SEEDS:** Field seed prices are quoted F.O.B. Kansas City, and will be shipped by freight unless otherwise ordered. If you want field seeds shipped by parcel post, be sure to include a sufficient amount with your remittance to cover postage.

**SENDING REMITTANCE WITH ORDERS:** We will accept your

P.O. money order, checks, stamps or currency. If you send currency it is best to register the letter.

**C.O.D. ORDERS:** If you order C.O.D. be sure to send a deposit of 25 per cent of the total amount of the order. You can pay the balance on arrival of the goods.
